(As per list attached)
- 2) All candidates, CSE-2015 (through e-mail)

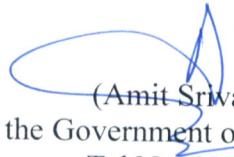

Subject: Number of chances for completing medical examination – reg.

Sir,

I am directed to refer to the subject and to inform that the competent authority has decided to give single chance (at the time of interview only) for completion of medical examination. However, rescheduling of medical examination in case of absentee candidates would be done on case to case basis with the approval of competent authority. No additional chance would be given.

2. The candidates failing to appear before CSMB on the scheduled date, would not be considered for service allocation even after recommendation of their name by the UPSC in the final result.

Yours faithfully
